

**Los Angeles Housing + Community Investment Department (HCIDLA)
Seventh Substantial Amendment to the
46th Program Year (2020-21) Housing and Community Development Annual Action Plan**

**Changes to Project Allocations for Community Development Block Grant and
Coronavirus Aid, Relief, and Economic Security (CARES) Act
Emergency Solutions Grant (ESG-CV)**

Purpose

In accordance with the Code of Federal Regulations (found under 24 CFR Parts 91.105 and 91.505), and our Citizen Participation Plan, the City of Los Angeles is required to notify and provide citizens with an opportunity to comment on all proposed Substantial Amendments to its Housing and Community Development Consolidated Annual Action Plan (Con Plan). The City wishes to notify the public of a substantial amendment to its 46th Year (PY 46) 2020-21 Con Plan.

The Coronavirus Aid, Relief, and Economic Security (CARES) Act authorizes an expedited public comment period for the substantial amendment, and the public will have at least five days to review and comment, in accordance with a federal waiver requested April 7, 2020 and effective April 9, 2020. A public comment period will be open to provide the public with an opportunity to review and comment on this proposed seventh amendment from about May 5, 2021 through May 11, 2021.

The CARES Act exempts the Emergency Solutions Grant (ESG-CV) supplemental funding from an official public comment period, and this notice is to provide information on changes to project allocations.

Proposed Changes

The City Council and Mayor adopted the PY 46 Con Plan budget on July 1, 2020, and since then, changes to project allocations for the Community Development Block Grant have been proposed. The City Council and Mayor approved various project allocations for the CARES Act Emergency Solutions Grant (ESG-CV) funding over a time period of September 2020 to January 2021, and since then, changes for ESG-CV have been proposed.

Changes to CDBG Project Allocations

The Children's Savings Account program was awarded \$330,000 in CDBG funding, which will be withdrawn; the funds were to support staffing cost and will be paid from CDBG administration instead to ensure compliance with federal grant requirements. The funding will be reprogrammed for use in the next program year that begins July 1, 2021.

Skid Row Clean Team Job Training Program Expansion and Skid Row Pit Stop (Refresh Stop) Hygiene Stations Expansion were awarded a combined CDBG amount of \$883,000. These two projects will be supported with funding from other sources, and the CDBG funding will be reprogrammed for use in the next program year that begins July 1, 2021.
